FAVOURITE HYMNS: Do you have a favourite hymn? Would you be willing to speak about it for a few minutes during a church service? Would you be willing to tell the congregation a little about the background to this hymn and what it means to you? An alternative worship service is being planned which would give an opportunity to share our favourite hymns and what they mean for our faith. Please be in touch with either Rev. Turner or Mr. Schalin if you would like further information or to be involved in this service.
